

B. A. ALIA AND JUNE SCHEINEMANN  
1998 - 4,390 UMERCA miles!!

I tried to keep this as short as possible as I could write a book about our trials and tribulations. This mare was supposedly finished 3 times in her career due to devastating injuries. As hard as it was many a time I kept my faith in the wonderful mare... and she proved a lot of people wrong and I'm proud of her!! The last 2 years of competition included the Shore to Shore in The state of Michigan (250 miles in a week.....and that's Michigan miles!!) My husband calls her the energizer bunny of our barn!! I call her wonderful and am thankful that I have been given the honor of being her partner in all these miles!!!
