

1/24/87

BROWN-R IFZADA, #141212+  
Foaled October 1, 1976

Owned by Tom and Joyce Pickard, ridden by Joyce Pickard

I purchased Iffy in September 1983 from the Brown Ranch in Chugwater, Wyoming. We went on three rides that year for a total of 125 miles and won first in the Limited Distance Championship and made Top Ten. In 1984 we were Top Ten even though we missed two months of competition with an injury. Iffy made only three rides in 1985 because of a chipped bone in his shoulder.

Our biggest year was 1986 when we were Lightweight Competitive Champions with 201.6 points in 790 miles of competition. Iffy won 12 firsts, 5 seconds, 1 third, and 1 fourth, placing in every ride we entered.

In our four seasons together we completed the points for and received the IAHA Legion of Honor award. We have only twelve points remaining for the Supreme Legion of Honor award and hope to finish the points early in 1987.

Iffy is very dependable and loves all of the attention he receives at the rides from the vets and competitors. He has a giant ego and demands to be number one both in the pecking order and in my attention to him. He seems to improve each year and has a lot more energy than when I purchased him.
