BROWN-R JANEZA, #0189038

Foaled May 11, 1979

Owned by Tom and Joyce Pickard, ridden by Tom Pickard

Nellsie was purchased in March, 1984 at the Brown Ranch in Chugwater, Wyoming, and is a full brother to Brown-R Ifzada. He was a very green five year old when we got him and started competing in Heavyweight Competitive events with his first ride at Palmyra. He completed his first ride and began placing on his second ride. He has been Top Ten in Heavyweight Competitive in 1984, 1985, and 1986.

A real willingness to see what's ahead on the trail makes Nellsie fun to ride, and he never seems to tire of the trail. 1987 will find Nellsie moved up to begin his first year as an endurance horse.

With only three points need to complete his Legion of Honor award for IAHA, Brown-R Janeza should receive the award early in 1987.
