

Brown R. Fad
Purebred Arabian Gelding

In 1994 I lost a very special horse – Rushcreek Quad. During this time of grieving, a concerned friend and fellow rider, Tom Pickard, offered me Fad. Fad helped fill the void Quad left. He was a solid ground covering long strided Arabian with a desire to achieve.

1995 – UMECRA Competitive Heavyweight Reserve Champion
AHDRA Purebred Champion
AHDRA Versatility Horse

We also had many endurance rides together. These endurance and competitive rides helped achieve the 1,000-mile UMECRA award that Tom Pickard started.

Age began to take its toll. Instead of a few races per year, Fad now is enjoying the life of a trail horse in Missouri.
