Better known as "Tillie the Hun", she's a real little trouper at 6 years old. Tillie competed for a total of 690 miles in '87'. Tillie won herself 3rd place competitive heavyweight, crossed her 1000 mile mark and received the Bronze Medalion from the Appaloosa Horse Club.

Due to her love of people and other horses, and her lack of aggressiveness, I have been forced to send her to meanness school for an attitude adjustment. For those who haven't witnessed Tillie's antics: her BUCKING trot-outs are a show in itself.
