

Rae's Baskara

#222382

Leonard & Kara

We purchased Rae's Baskara, soon shorten to Kara, as an unbroken 2 year old in 1982. After training and riding her in 1983, she was entered in a competitive ride in Oct, 1984.

During the first year of riding Kara, I told myself and Mary Lou many times that I ought to sell her and get a gelding with a pleasant temperment. However, with Mary lou's urging and encouragement, I kept riding Kara. As I became a better rider, Kara's personality seem to improve. Just goes to show that time and distaance together makes for better understanding.
