

Rich-Mar Zoradam

Mary Lou & Adam

April, 1980, I purchased my 1st Arabian, Rich-Mar Zoradam, a bay 5 year old gelding.

Within a short time, I realized that this horse had more stamina than any previous horse I had owned. His personality won my husband's interest enough to start riding. Then with Madeline Scott's, a neighbor, giving guidance and encouragement we entered our first competitive ride Oct. 1982.

Adam's good nature, his easy way of going takes much of the credit in opening our world to the great breed of Arabian Horses and the great sport of Distance Riding.

1985: 2 place Lightweight Limited Distance

1986: Top Ten Lightweight Competitive

1987: Top Ten Lightweight Competitive
