

SMOKEY'S BANDIT

Born 4/10/73

Endurance Horse Registry #742

Smoke is an unregistered half-arab gelding who was bred by Carl Estabrook in Mt. Vernon, South Dakota.

We purchased Smoke from a neighbor who wanted him to give a good home close by, so he could come visit now and then.

When we purchased Smoke he was over weight, but with proper diet, riding and time he showed real potential as an endurance horse. We took four years bringing Smoke along slowly, and in 1983 he was AERC Midwest Heavyweight Champion, and Top-Six Endurance UMECRA.
