RULE OR BYLAW CHANGE SUGGESTIONS?

If you have UMECRA rule or bylaw changes, ideas for new rules or rule removal suggestions, please submit them to the rules & bylaws committee before the November UMECRA board meeting. It's easier for the Rules & Bylaws Committee to craft language beforehand, check it against other rules, etc. before submitting it to the whole board for a vote at that meeting. AND if you mentioned something to us in the past few months or weeks on the trail, in the vet check or around the campfire, shoot us off an email reminder of what you wanted as a change so that we know we have your request.

Rules & Bylaw Committee members are Tony Troyer - jl4aerc@aol.com - phone [815-539-7375](tel:815-539-7375) , Wel Elford - wselsfor@sbcglobal.net - phone [920-387-2304](tel:920-387-2304) , or Theresa Meyer - tmeyer@tpt.org - phone [763-753-5236](tel:763-753-5236) .

The rules and bylaws can be found on www.umecra.com under the About link then, scroll down to the bottom of the page and there is a "button" for each one.

Thanks!

UPDATE ON POINT CHASER LOCATION:

Hello to all,

Well the votes are in and it was overwhelming that people would like to see Point Chaser held at Governor Knowles this year. Unfortunately, after lots of phone calls and research; it just does not look like it will work out at that location. I have tried to make it happen but every time I think I have issues worked out a new problem comes up. Probably the biggest issue is several other events already scheduled to be using the same trails that same weekend.

So with that being said; Point Chaser will be at Zumbro Bottoms this year. Zumbro has a lot to offer, the campground is very large (site reservations are not needed), there is a nice picnic pavillion and we will have plenty of well water for all. There are many overhead ties for the horses and lots of room for pens too.

The trails are absolutely beautiful with some wonderful vista overlooks and some lowland trails near the river. I will work very hard to incorporate the loops with a variety of terrain without making the course too challenging. As always, we will strive to make it an enjoyable event for all.

Hope to see you all there!

Holly & Bob

A "COLORAMA" THANK YOU!

A "100" thanks to a special group of people. My mare Sassy and I attempted our first Umeera 100 mile ride at Colorama. Sassy and I covered the 100 mile trail and returned to camp about 11:30 that evening. We had a great experience together! After a day of almost 100% A's on her vet card, Sassy was foot sore and failed to "complete." I want to thank Mona, the many fellow riders and ride management for pulling out all stops to try to make Sassy comfortable enough for her final trot-out. Thanks to Doc Wes, Doc Traci and Doc Ann for their expertise and support. I was overwhelmed at the support we were afforded during the course of the day! I especially want to thank my best friend Deb for her support that started with my first novice ride back in 2007. Thanks to Lori Windows for "sharing" Rick Nelson with me for the first fifty miles. Words can't express my gratitude to Kristy and Guy Worthington who were kind enough (after riding 50 miles) to load up the truck and drive Deb, Vicki, Kash and Crickett, out to the road crossings for my final 25 mile loop. We couldn't have done it without Guy's help. Sassy and I were blessed to have the crew extraordinaire so late in the ride! We may have been alone on the trail but we were definitely not alone on this journey!

2012 Rider Reps Candidates

Time to start thinking about Rider Reps for 2012!! Are you interested in being a Rider Rep in UMECRA – it's time to get your bio/write-up in for publication in the newsletter.

Send your write-up to me at:
UMECRAnews@gmail.com

Meet Lynda Zimmerman:

I would be honored to be considered for the Rider Representative position. I have competed in distance rides for two years and earned the UMECRA Rookie of the Year award for Competitive Trail in 2010. In addition, Zia (Lluvia del Norte) was just recently selected as the Paso Fino Competitive Horse of the Year (2011) by the Paso Fino Horse Assn. This year, we are competing in the Limited Distance class. We've attended quite a few different rides across Minnesota, Wisconsin and even one in Illinois and have accumulated approx. 500 competition miles to-date. I have also scribed at several rides while my mare was recovering from an injury – I just couldn't stay away, even though it was hard to leave her at home! If we had been able, we would have also attended the North and South Dakota rides last summer.

I've ridden horses for 45 years; although, Zia was my first horse purchase (three+ years ago). I had two horses as a teenager, and rode unofficial "endurance riding" all along the country roads in those days! In the intervening years while raising my family, I rode at my parent's ranch in Montana, rounding up cattle and participating in working cattle drives on summer vacations. That riding experience was augmented by four classes at Rochester Community and Technical College's Equine Science program as I prepared to buy my first horse. I also leased a trail horse for a year prior to buying Zia, and followed the recommended trial period and six weeks of lessons with her trainer to get us off to a good start. I can say with assurance that long-distance riding is our passion! I am a strong proponent of solid training/handling, safety, and a trusting equine relationship through patience, respect and clear communication. Professionally, I have been an academic advisor and part-time writing faculty at Metropolitan State University, St. Paul, MN, for 13 years, roles which require good listening and communication skills. In Sept. 2011, I was selected by students to receive the Excellence in Advising Award. My leadership experience includes serving on the university's Alumni Board for six years, chair of the Women's Commission and Scholarship Committee, and secretary of the Mid-America Paso

Fino Horse Assn. for the past three years. Personally, I am married to Bob Zimmerman, and have four grown children and 13 grandchildren.

As a relatively new member who has learned a lot about competitive distance riding and met many riders in the organization, I bring a fresh perspective to the riders' needs across the region and hope you will vote for me to represent your views and goals to the UMECRA Board. Thank you for your consideration!
