

UPPER MIDWEST ENDURANCE AND COMPETITIVE RIDES ASSOCIATION

Letter from the Prez....

Hello,
I was thinking this week about UMECRA's and AERC's history, and how different the sport is now than what it was in 1972 when the organization was founded. I've read through past minutes and enjoy chatting with our veteran riders and ride managers. I hope they will correct any errors below.

When UMECRA began there were endurance rides 50 miles and up typically held on a Saturday, and competitive rides 25 miles and up held on Sundays. There were many more 50 mile comp rides held. BTW, from my research - sanctioned Limited Distance rides were not held at AERC events until the mid 1980s. AERC only sanctioned rides 50+ miles for many, many years. Of course UMECRA was far, far ahead of the curve because we had competitive trail ride competitions to get horses conditioned for longer rides years before AERC started a shorter distance.

Today, competitive rides and drives are held at a pace of 5-7mph. The beautiful thing about this pace is the horse and rider can compete a 50+ mile endurance ride with plenty of time if they are conditioned to this medium speed.

Competitive rides have slightly different goals than LD and endurance. In LD and endurance to place well, one typically must come in faster than the other horses competing. For competitive, a rider's ideal is to finish the stated distance with the perfect trail horse who looks and acts the same or better as when it left camp within the stated time - no matter the trail conditions.

For comp a set of parameters are checked and judged by a veterinarian before leaving camp, and when you have finished your ride. They are attempting to judge all the horses on a "level" playing field. Year ago our veteran board members suggested rules to making this evaluation more "equal": there is no crewing, a

ride pace is determine that is fair under the circumstances, a pulse and respiration taken at the same time for everyone after entering camp. It is up to the rider to pace - not too fast, not too slow and make decisions on how to bring back into camp a horse that most closely resembles the perfect trail horse.

A historic example, today respiration rates are only scored on competitive horses. In the past respiration criteria were used with pulse criteria in deciding when a horse had "come down" and passed the check on endurance and LD horses. Imagine if respirations were still used in LD and endurance?

Competitive trail horses are also judged more broadly than endurance and LD. The comp scoresheet gives a more complete story of your ride: leg filling, heat and pain are evaluated, manners are noted, and lameness, attitude and fatigue are judged while the horse is trotted in a circle...not just in a straight line.

Even after 45 years and the founding of UMECRA, competitive trail experience continues to be an ideal base for new horses and riders. Thank you wise UMECRA foremothers and fathers for your foresight!
Theresa Meyer
UMECRA President

Family Members - Email Address Alert!

UMECRA is already preparing for the Rider Representative Election this winter. Last January the board experimented with a couple of email electronic voting programs. One was clearly a winner. Almost every single member provides us with an email address. This is wonderful because when the time comes they will get an link to an electronic ballot. Family members get two votes. The electronic ballot can not be sent to the same email two times.

Family members - if you want to receive your two votes for rider rep this winter - please provide us with your name, at least one other family member's name and the two email addresses you would like to use. Please do it right now so you don't forget.

Send this information to:
Theresa Meyer
thmeyer753@gmail.com

Thanks!

Looking for new places to ride in your area and beyond?
Check out <http://trailmeister.com/>
Lots of information there on trails and all things trails! Search by city, state, even zip codes! You can even add trails that you know about.

Attention College Bound and College Enrolled Students

Applications are now being accepted through Thursday, November 16, 2017 for scholarships from the Upper Midwest Endurance & Competitive Rides Association Scholarship, a component fund of the Community Foundation of Southern Wisconsin, Inc. for post high school educational opportunities. Applicants must have at least two years' membership in UMECRA. The applicants must have participated in at least 25 rides sponsored by UMECRA and intend to study for at least a two-year program at an accredited college, university or technical school.

Former Wisconsin members Ray and Audrey Gehrig established this scholarship in 1996. Additional tax deductible contributions are welcome for anyone at any time.

Many UMECRA members have made charitable contributions to support this scholarship fund in the past. We encourage members to continue to add memorial gifts and honorariums to the fund to support this worthy scholarship for youth and others returning to school. You can donate directly on-line at the website cfsw.org

For scholarship materials and/or information about making a contribution to the UMECRA Fund, please go to the website: www.cfsw.org/scholarships/additional-opportunities/ and scroll down to UMECRA or contact Jackie Ommodt at:
Phone: 608-758-0883
Fax: 608-758-8551
Email: jackie@cfsw.org

Board Appointed Positions - Nominations Sought

Each year two board appointed positions are renewed or new volunteers are appointed at the November Board of Directors meeting. This year the newsletter and sanctioning coordinator positions will be considered.

Newsletter Editor(s) will edit, author and publish at least 10 newsletters per year both electronic and by hard copy. It is important to have good computer skills for this positions. Previous newsletter publishing experience is a plus. You do not have to be a writer, but formatting and editing skills are necessary and an aptitude for hitting deadlines is a valuable quality. Please send your letter nomination and qualifications to UMECRA Secretary/Treasurer Bruce Birr at bbirr@centurytel.net.

The second open position is **Sanctioning Coordinator** who will work with the UMECRA Board, UMECRA ride managers and AERC Sanctioning Director to sanction and coordinate scheduling recommendations to the Board for UMECRA rides and shall edit and coordinate publishing of the yearly UMECRA ride book. The sanctioning coordinator also distributes ride forms and paperwork to the ride managers. Detail-oriented, organized problem solvers with good communication skills are who we seek as the sanctioning coordinator. Again, send your letter nomination and qualifications to UMECRA Secretary/Treasurer Bruce Birr at bbirr@centurytel.net.

Generally, these positions are advisory and administrative Board positions, and are non-voting. These positions are also subject to the requirements of the traditional duties and standards of responsibility expected of these positions within UMECRA, subject to the authority of the UMECRA Board and as related needs arise within their areas of responsibility. In addition appointees will have to sign UMECRA Code of Conduct. Please contact a board member if you have questions about this process.

2018 -2019 Rider Reps Candidates Sought

2018 -19 Rider Reps Candidates – Nomination deadline December 1st!

Are you interested in being a Rider Rep in UMECRA? Rider representatives are the rider's voice on the UMECRA Board of Directors. As rider rep you are a crucial voice in the decisions that are made by this organization. You must be a UMECRA rider member for at least 2 years and be at least 18 years of age but not a ride manager and be able to attend at least 2 out of the three board meetings we have a year. This is a two year term which begins after the January 2018 General Meeting. Board meetings are typically in March, November and January. Nominations are due to the UMECRA secretary by December 1st. This year the rider reps will be voted by online ballot in January. Contact our Secretary/Treasurer with your intention to run - Bruce Birr at bbirr@centurytel.net or by regular mail at: Bruce Birr - UMECRA Sec/Treasurer, 1633N West Kendall Rd., Manistique, MI 49854. You - or a member who is nominating a person will have to have a biography of the nominee written for the December Newsletter. Members nominated by other members must accept the nomination. Deadline for the nomination write up is also December 1st. Send your Newsletter write -up to umecranews@gmail.com.

Fall Colic Risk Factors:

Colic can be a very frightening event to go through with your horse, and it's true that (at least anecdotally) colic is more common during certain times of year. Fall is one of those times, and certainly weather is variable

in the fall. We can't control the weather. However, it's not the weather causing the colic. Rather, weather causes changes in management and behavior that lead to increased impaction risk. If we understand this, then we can do things to try and reduce the risk.

1. Forage Changes – as the horses diet changes from grass with a high moisture content to dry hay, the moisture content in their gut can be reduced. Make the change from pasture to all hay gradually. If feeding grains, etc, consider adding water to make the transition even more gradual.

2. Reduced mobility – this can occur if you bring your horses in as the weather get colder. Reduced movement can affect gut motility. If your horse is going to be stall bound, find ways to get them moving – longing, even hand walking will help stimulate the gastrointestinal tract.

3. Hydration Challenges - as water temperatures drop with colder weather, water intake can drop as well. Researchers have found that horses prefer tepid water, so finding ways to keep the water liquid and not freezing will help. Make sure your horse is getting enough salt – a 1,100 horse needs about 1 oz or 2 tablespoons of salt per day. The best way is to feed it directly on the horses feed, rather than relying on the use of a salt block alone.

Sometimes, no matter what we do, colic can occur. The key is to be aware of the common causes and to then take action. With thoughtful management, you can help reduce the risk of your horse colicking again

UMECRA 2018 Convention Meal Selections

All payments must be received NO LATER THAN JANUARY 1, 2018

Send your check made out to UMECRA to:

Nicole Mauser-Storer

201 S Cameron Ln

Bartonville IL, 61607

Please write each name on its own line and put an X in your selection.
