

UPPER MIDWEST ENDURANCE AND COMPETITIVE RIDES ASSOCIATION

From the President

Congratulations to those riders who were able to compete this year with all of the chaos the pandemic created for everyone. Our Awards Committee is hard at work putting together an awards program to recognize those of you who won an award. I'm happy to announce that we will be able to award jackets this year to those competitors who earned the prestigious award. If you're a first-time winner of the jacket, UMECRA will pay the entire cost of the award. Others who have won previous jackets will be asked to pay the difference between the cost of a Top Ten award and the cost of a jacket if they chose the jacket as their award. This aligns with the boards earlier decisions about 2020 awards being commensurate with the funds received from the current ride season. Again, congrats to all awardees for your accomplishments this year!

The UMECRA Board of Directors met "virtually" for the very first time for their November 7, 2020 meeting. All I can say is, we are very fortunate to have so many talented and tech savvy people on the board. A huge thank you to Sandra Wright for being our meeting administrator. Without her expertise, I'm not sure what would have happened. All in all, the meeting went quite well for the first go around. Members may listen to the entire meeting or parts of the meeting by logging on to the UMECRA FB page where Sandra has posted a link for member access. The board is planning on another virtual meeting on January 9th to continue to work on plans for UMECRA's Annual Meeting.

The 2021 UMECRA Annual Meeting will be held on January 23, 2021. The Board decided, based on input received from members, to go with a virtual meeting. The overall consensus is that this is the best choice considering the uncertainties still surrounding the pandemic situation. This decision will require a lot of preplanning and preparation for a successful meeting. Please be patient with the board as we work out all the kinks associated with being able to have everyone "attend" a virtual meeting. As I mentioned above, we have some talented people involved so I am confident that we will have things ready to go by January. Look for additional information to come your way as we prepare for the meeting.

Finally, I'd like to congratulate Theresa Meyer for her recent appointment as UMECRA's new Sanctioning Coordinator. It's a big relief knowing that Theresa will bring her experiences and talents to the position. If you have already sent in your sanctioning forms to me, I have forwarded them to Theresa. **Those of you who still need to submit your forms should send them directly to Theresa at; thmeyer753@gmail.com Please remember that all forms are due by November 30, 2020.**

Have a Happy and safe Thanksgiving Everyone!

Nominations for Open Positions/Election:

Secretary

My name is Janet Sarver and I would like to be considered for the position of UMECRA Secretary.

I started riding competitive rides in 1993-1995 as a college student, took a break to raise my children, and now have competed every year from 2009-present. I have experience in competitive, LD and endurance riding events. I enjoy being a mentor to new riders and volunteering a rides and clinics. Last year, I was asked to be a co-ride manager of MnDRA1. We were able to have a successful ride in late August (despite Covid) and are already planning for May 2021.

I am interested in the position of UMECRA Secretary because I would like to give back to this sport that has given me so much over the years. I believe the following skills will help me in this position:

- I am proficient in using word processing software and computers, which I use daily in my job as a mental health case manager.
- I am a fast typist and have excellent writing and grammar skills.

- I have served on professional committees, presented in front of groups, and created reports for legal hearings.
- I am organized and able to grasp new information and often have to meet deadlines.
- I am able to travel to all board meetings or participate by Internet if needed.
- I have a flexible schedule on evenings and weekends.

Thank you for your consideration of my application. Please feel free to contact me with any questions that you have.

Treasurer

Hi UMECRA members!

I am writing this to express my interest to be the UMECRA Treasurer and member of the Executive Board. I believe my professional and personal experience have the qualifications necessary to fulfill the duties of this important position. While I haven't the same tenure in the sport as many of our members, I have stepped up from the beginning to give back to the sport I've grown to love. I first joined AERC and UMECRA in 2014 and competed in a handful of rides. In 2015, not only did I become co-manager of a ride that I've now managed for the last 5 years, but I also co-founded the Green Bean Endurance Challenge program which has now become an AERC recognized program with approximately 350 members annually. I am also a member of the AERC Membership committee.

I have a bachelor's degree in Accounting and over 15 years of corporate and city accounting experience. For the last 10 years, I have worked as an IT Business Analyst supporting a large corporation's financial systems in which I wear several hats – software developer, database analyst, customer support, and project manager.

I have a wide range of technical skills including:

- * advanced Excel, Word, PowerPoint, and Publisher skills including macro development
- * database and data analyst skills including Oracle SQL Developer and Access
- * website development including creating online forms, charts, tables, secure access, domain registration, etc.
- * QuickBooks/Peachtree/Quicken/Baan/Oracle and other ERP and Accounting system experience.

I developed the entire infrastructure (website, forms, databases, reports, etc.) to support the Green Bean Endurance Challenge program. In doing so, I receive approximately 2,500 lines of data throughout the season, compile it, and display it for members to view online. Simply stated, I like to figure out ways to improve processes to make it more accurate and more efficient. One of my early goals for UMECRA is to develop a way in which to receive forms and payments online while also remaining flexible to the needs of all members.

I was appointed as the interim treasurer by the UMECRA Board in March of this year after the Treasurer/Secretary positions were split. During this time, I have fully transitioned into the role and began sending invoices to ride managers, sales receipts for incoming money received, and detailed reports to help the Board with its budgeting decisions. If elected, I look forward to serving as your Treasurer for many years to come.

Thank you for your consideration! Deb Moe

Candidate for Director at Large

Hey UMECRA! I'm Peggy Pasillas, current Director at Large and candidate for Director at Large. I have been actively involved in our sport and UMECRA since 2008 when I did my first ride and caught the Endurance bug! Since that time, I have been the UMECRA newsletter editor, on the Board of Directors and have hosted multiple clinics and mock rides (with lots of help from other experienced riders). I'm an experienced ride manager, have mentored Juniors, who are now mentoring others, and had the pleasure of introducing this sport to my 2 granddaughters, who love it as much as I do! I truly believe that if you love this sport, you need to give back to it if you want it to thrive. That's why I would like to continue to serve the UMECRA community as a Director at Large and am asking for your vote.

Thank you! Peggy Pasillas
