Ride Camp is at the West assembly area. Sites are first come, first serve. Easy access from main roads with only a few miles of gravel road. Huge camping area, room for everyone and big rigs welcome! 150 primitive campsites - many with high ties, pens are allowed. Sites do not have electricity. Cost is \$22 per night. There is a water hydrant with an electric pump for use. Minnesota Horse Trail Pass is required and forms will be available at the ride site. Limited cell phone reception at ride camp.

Camping Fees and Day Use Vehicle Fees - There are no pay stations at camp. You have two options:

1) Download the Yodel mobile app for your phone and create an account to pay online. Due to the lack of cell service in the ride camp, the DNR advises you do this the day that you leave from home or on your drive there when you have a good signal. *You cannot reserve sites days ahead of time.* When you arrive in camp, fill out the camping form and put the slip on your car window.

Scan the QR code here and it will take you to the website.

2) If you cannot or choose not to pay electronically, you can fill out the envelope and pay the ride manager or send it in the mail.

3) Annual vehicle passes and trail passes are required and can be purchased online at: https://www.dnr.state.mn.us/state_parks/permit.html.
