

BILL'S LADY DELL

Lady is a big little mare. Little in stature, 14.1 tall, 750 pounds: but big in attitude and desire to please and go down the trail.

We started racing her in 1977 as a 7 year old. For the majority of her 1545 UMECRA miles she carried 260+ pounds. Carrying approx. 1/3 of her own weight Lady never fail to complete a ride.
