

CANDY – Larry Engevold

CANDY

Registered Endurance Horse #346

Candy is a pretty, petite, 14.2 band buck-skin mare. She has a grade quarter horse dam and her sire is Ibn Gwaim, a purebred Arabian. Candy is a half sister to La Raindrops, another 1000 horse.

Candy started her racing career as a five year old in 1976 (very green broke). In 1977 with 500 miles under her, she completed the season as UMECRA reserve heavyweight champion and tenth in the AERC overall.

Candy was raced on and off over the next few seasons. She was pulled out of the cobwebs again in 1982 to finish third lightweight on the Neilsville 50.
