

HL NIGHT LIFE

Hi! My name is HL Night Life, most people call me Bosal. I have had a pretty good life since I came to Brianna. I was 7 years old when she bought me, and she was 13. That same year we started distance riding together. Boy is that hard! We have also done 4-H showing together. Not anymore though, I think we're both too old. I don't like showing as much as distance riding. I have to go around in a circle in weird positions that feel like I'm smooshed or something. It's distance riding that I like.

I think I did something good once, cause I got a ribbon around my neck and lots of treats. I remember Brianna saying that I won the Regional Sweepstakes ride. I remember that day; it was a long day, but fun! Now I'm 16 and Brianna is 22. We're both getting a little old, but I'm sure you'll see more of us for a few more years to come.
