

Jerland Gakura
Jo Ellen Rubach

BEY or Jerland Gakura is the pretty boy Arabian gelding who is the latest 1000 MILE horse belonging to a member of THE GREEN TEAM. After 1000 miles in competition, Jo-Ellen can almost guarantee that Bey won't buck her off, kick a vet or completely intimidate any horse around when on the trail.

Nicknamed THE MOUTH by Mary Alice, Bey likes to lip, bite or chew anything his mouth can reach. He likes people, hates dogs and plays roughly with his equine friends. Bey is easy to work around and is part of the EQUESTRIANAUTS MOUNTED DRILL TEAM. Someday he may even be a good ENDURANCE horse.
