

# PA PISTOL HEIR

*Ridden By Elizabeth Laurie*

*Pistol and I raced 1,050 competitive miles in primarily Minnesota for three years. Pistol was my first horse and with the help of many people I was able to train, compete, and have a ton of fun with him. Pistol was a part bred Arabian, bay, gelding and started to compete in 1997 as a four year old. Some of Pistol's accomplishments were in 1999 he received first place junior on his first 50 mile competitive ride at the Southeast Minnesota Ride, and second place junior at Diamond Lil's Last Ride 3 day 100 mile competitive ride in 1999. As a result of a very tragic automobile accident Pistol was killed on October 3, 1999. He brought me to the place that I am today and will always run in my heart.*
