

RAFNETTA – Theresa Nelson

RAFNETTA

We raised Rafnetta. She is a registered 7/8 Arabian mare sired by our Nebraska bred stallion, Jaraff (019324). She is bay and stands 15.2 hands. Rafnetta never liked people much and hated horses more, but she loved to go and she loved to run in front.

We started racing her in 1972 as a seven year old. She has 1635 AERC miles.

In 1974 she was Heavyweight Competitive UMECRA Reserve Champion. In 1976 Heavyweight Endurance UMECRA Reserve Champion. 1977 AERC-9th in the nation, and 3rd UMECRA Heavyweight. 1978 UMECRA Heavyweight Endurance Champion and took home the Bronze International Arabian Horse trophy by placing Reserve Champion Competitive Half-Arabian at the IAHA 2-day Competitive Ride.

In 1979 she was kicked in the knee on a competitive ride which put her into early retirement. This mare was truly a joy to ride due to her untiring spirit and willingness to compete--a once in a lifetime Horse.
