S.A. MAXZI

(Sterlings Pride x Rayfane) Arabian #735604/2/71

Max is 15.11h hands, chestnut with a flaxen mane and tail and four socks. He was purchased as a three year old. Max was ridden competitively for the next three years. The third year he place in the UMECRA top ten heavyweight with only six rides. At seven he was ridden endurance. He has placed on every ride he completed. He was in UMECRA top six in 1978 and 1980. In 1979 he was UMECRA heavyweight endurance champion.

Max has completed the Kettle Moraine 100 three times. These were our greatest thrills. In 1981 on his last endurance race, he ran the Kettle Moraine 100 in 10 hours and 20 minutes in deep mud to win the International Arabian Senior Championship.

Max has tremendous heart. We have been racing together for seven years. His excellent trot and cheerful attitude have gotten us through many miles. Rides over 50 miles have been his best efforts.
