Arabian Gelding #142138

TKO was bred by Henry and Lydia Baron, Mound City, South Dakota. He was nominated to race in the 1979 International Arabian Horse Racing Futurity for 3 year olds. We purchased him from Fastnacht Racing Arabians as a two year old for an endurance horse and never entered him in the IAHA Racing Derby

He was named after the boxing term, Technical Knock Out.

Not wishing to start him endurance until he was 7 years old, we started riding competitive. He placed in the UMECRA Competitive Lightweight Top Ten in 1981 and 1982.

In 1983 TKO ran endurance, placing in the Top Ten AERC Midwest Lightweight Division.
