JANUARY 23-25: UMECRA Convention and Annual Meeting.

Antiqua Bay Hotel, Wisconsin Dells. **SIGN UP & RESERVE HOTEL NOW!** See inside for details.

Registration deadline: January 16th.

Meals must be pre-ordered, so if you do not pre-register, you may not be able to get a meal.

Ride Managers: **Delegate Deadline—January 16**

Please be sure to get your voting delegate names to Jill Feller by January 16th. Remember that you get one voting delegate for each day of your ride: i.e. a two day ride gets two voting delegates. Also remember that delegates must be UMECRA members. You can either email or call Jill at: jfeller@nconnect.net or 920.948.9502.

Ride Insurance:

The form for ride insurance was sent out in late November along with the ride sanctioning information. The deadline on this form was December 15th. If you did not return the form for ride insurance, do not panic. Ride insurance can be added at any time of the year. The purpose of getting the information in December is two fold: 1) the information needs to go to our insurance company so they can quote us the cost of the insurance and the more accurate the information sent, the better the quote is. The quote is used to determine how much of the insurance cost will be covered by UMECRA and how much the rides will need to cover. 2) If the insurance information is already submitted, it is one less thing that the ride managers need to worry about as their ride gets closer.

If you have any questions on ride insurance, please contact Jill at: jfeller@nconnect.net or 920.948.9502.

Renew Your Membership

To All UMECRA Members:

Please do not send in your 2009 membership dues in without sending the completed membership form along with it (form inside). Thank you!

BYLAW CHANGES TO BE VOTED ON AT ANNUAL MEETING!

There are several by-law changes that passed at the board of director's meeting concerning those who can be elected as UMECRA President and UMECRA Secretary-Treasurer. Please see the minutes. These bylaws will be voted on at the General Meeting in January. No rules passed the November meeting, but some additional rules will be presented at the early board meeting that day. These suggestions have to do with sanctioning, elevator rides and elevator drives. Some of these suggestions will likely pass that morning and be voted on by the body at the afternoon meeting. Please plan to attend, and if you have strong feelings about any of these topics, please talk to your UMECRA board members and rider representatives. Thanks!

75 Mile Rides

I would like all Ride Mgrs. to consider putting a 75 mile ride in their ride list for the 2009 season. With the coming of the 100 Mile Ride Program to be presented at the Jan. Convention there will be some people wanting to take the step up in miles towards doing a 100 mile ride. Doing a 75 is a real confidence boost for many people and their horses. Another option is to offer it along with the requirement that anyone planning to ride the 75 would be required to contact the Ride Mgr and also preregister by two weeks prior to the ride date or it would not be held. Thank you for your consideration.

Chronic Wasting Disease (CWD) Management Plan

This plan could affect our rides or a time when you just want to "Go ride". What really affects us is the October season. Please take the time to send a comment.
 — Katie Bachhuber

The [Wisconsin] DNR has developed a draft 10-year CWD management plan recognizing its public trust responsibility for managing wildlife and ensuring the health of wildlife populations in the state.

Some proposed recommendations in the plan may have an impact on trail and outdoor enthusiasts. For example, the draft recommends that the expanded gun-deer hunting season structure for 2008 be the basis for hunting seasons

through 2012 in the CWD Zone. In 2008, gun deer seasons included October 11-12, 16 - 19, November 22 - 30, December 1-14, 24 - 31 and January 1 - 4. These seasons may impact state park, forest and trail users during popular times of the year for outdoor recreation at such properties as Governor Dodge, Yellowstone Lake, Blue Mound, the Kettle Moraine Southern Unit and others. Your input is needed to help the DNR make informed decisions.

The DNR is taking comments on the draft 10-year CWD management plan through December 13, 2008. For more information and to provide your comments online, please visit the CWD Management Plan webpage: <http://dnr.wi.gov/org/land/wildlife/whealth/issues/CWD/plan.htm>.

Editor's note: Sorry we weren't able to get this out to members in time for the comment period. Wouldn't hurt to let them know how you feel anyway.

From the Editor

This will probably be the last issue of the UMECRA newsletter I edit. The new editor has not yet been selected, but several people have expressed interest, and the Board should be appointing one of them in January. Several people have asked me why I am giving up the newsletter. While I've enjoyed doing it (and getting the inside scoop on everything without having to wait for the newsletter to be published!), my job as a paralegal (the one that pays for my horsie habit!) has gotten way more demanding since I started editing the newsletter two years ago, and I would like to spend less of my free time in front of a computer.

You can continue to send your news to UMECRAnews@gmail.com for publication in the newsletter as I will be passing that account on to the new editor.

UMECRA BOARD OF DIRECTORS MTG MINUTES

November 8, 2008
Antiqua Bay Resort , Wisconsin Dells, WI

Members present: Sheryl Williams, Rick Nelson, Linda Mowrer, Linda Hamrick, Wes Elford, Wayne Gastfield, Maxine Bernsdorf, Sharon Hahn, Lynn Reichert, Barb Gardner, Joslyn Seefeldt, Dawn Haas, Elinore Tonsor, Tony Troyer, Theresa Meyer, Dianne Schmidt, Jill Feller

Guest: Don Hamrick, Aaron Mowrer, Barry Saylor, Vanessa Vanderbeek

Meeting was called to order by President Sheryl Williams.

Secretary's report was distributed via email before the meeting. No corrections were made. Motion made by Dawn to approve, seconded by Wes: approved.

Treasurer's report was distributed in the form of a balance sheet and P&L. The current balance in the check book is: \$13730.45. Tony motioned to accept the report as provided, Dawn seconded it; approved.

OLD BUSINESS:

- **President and Secretary/Treasurer election criteria:** the following items are proposed changes to the UMECRA bylaws. The *italic* portion is the change. The changes that passed will be presented at the annual meeting for final approval.
 - ARTICLE III Section 7: DELEGATES: Each manager of an endurance/competitive trail ride shall submit the names of its official voting Delegates or its authorized alternate voting Delegate(s) to be recorded by the corporate secretary prior to any meeting of members. (See, Article VII, herein). The corporate

officers (excluding Newsletter Editor(s), Points-Keeper, Sanctioning Coordinator, and Webmaster), board members, Veterinary Representative, Ride Managers, and Rider Representatives also will serve as voting delegates of the organization. Each Delegate may only vote once, whether or not they hold more than one position at a Meeting. A Ride receives as many Delegates, as it has days. (See Article VII, Sec 4b, herein) if a Ride's Delegate is also serving as a Board-member or Officer, that Director is also voting as one of the ride's Delegates. Only voting delegates may vote on business presented at a meeting. Motion made by Theresa, seconded by Tony; failed to pass.

- ARTICLE III Section 5. PRESIDENT: added *(d) To be eligible to be elected a nominee for President: must be present and a Delegate to the meeting at which the election is held, must be a current UMECRA Ride Manager or former UMECRA Ride Manager who has been a UMECRA Ride Manager during at least three (3) seasons in the past five (5) season or who has been a Delegate in the preceding two (2) years.* Motion made by Theresa, seconded by Wes; motion passed and will be presented at the annual meeting.
- ARTICLE III Section 7: SECRETARY/TREASURER: added Due to the requirements and nature the position of Secretary-Treasurer may be filled by either a current Delegate or a current UMECRA Member with a minimum of three (3) years of experience in the five (5) years preceding election as a UMECRA Ride Manager. Motion made by Theresa, seconded by Lynn; motion passed and will be presented at the annual meeting.
- ARTICLE III. Section 1: ELECTION OF DIRECTORS: The property and business of the corporation shall be managed by its Board of Directors. Only Delegates may be elected as Officers or as Directors. with the *following* exceptions: the Board position of Veterinarian Representative will be composed of an endurance or competitive ride veterinarian, President (see, Article II, Section 5) and Secretary-Treasurer (see Article III, Section 7). Authorized alternate voting

delegates shall not be eligible for election for the purpose of this section. Motion made by Theresa, seconded by Sharon; motion passed and will be presented at the annual meeting.

- **Junior Restricted Mileage Awards:** This was a reminder that these awards are not forgotten this year at the awards ceremony. The points-keeper pointed out that for the 2008 ride season, there were no junior riders that qualified for this award.
- **Insurance Costs for 2009:** Jill has been in contact with our insurance company and the message was that they do not see any significant price increases for 2009. No quote can be provided until Jill provides them with our ride schedule and the insurance needs for UMECRA for 2009. The form for ride managers is on the website and will be in the November newsletter; the form needs to be completed and returned to Jill by December 15th.
- **100-Mile Horse Program:** Barry Saylor presented some follow up ideas on this program (this is a carry over from the spring meeting). Barry is working on getting a sponsor for the program. A discussion was held on how to break ties at the end of the year (should that happen) and the possibility of hosting some elevator rides in UMECRA (it was pointed out that elevator rides are against UMECRA rules at this time). Barry will be presenting this program at the general meeting in January.
- **2010 Convention:** Elinore Tonsor and Dawn Haas will be hosting this convention with date and location to be determined at a later date.
- **Points Database:** Sheryl reported that this is on HOLD for now, but the coder is still working on the program. She will be able to present more in January.
- **Signs for Rides:** Elinore has contracted a Graphic Artist to touch up or UMECRA logo. Elinore presented some logo designs to show how the touch up looks. She also presented an idea for signs for each ride with the UMECRA logo on a plastic sheet with metal posts (like an election type sign) that rides could use to help get riders to the rides. The cost of these signs is: \$2.36 @ for 24" x 12" or \$2.63 for 24" x 16". Theresa motioned that UMECRA purchase 100 of these signs on a yellow background (the 24 x 12 size for \$2.36 and a reasonable shipping cost) and provide each ride with two signs; seconded by Wes. Motion passed. The signs will be purchased and distributed at the convention in January. There will be extra signs and any ride manager wanting more than two signs can purchase them at the convention for cost.
- **Novice Division:** In January, the BOD voted to extend the Novice Division for the 2008 ride season. Motion made by Jill; seconded by Dawn to make the Novice Division a 'regular' division within UMECRA. The current guidelines will continue. Motion passed.
- **Motions going to the Annual Meeting:** it was noted that when motions go before the voting members at the annual meeting, the person who originally presented the proposal needs to be the one presenting it to the voting members so 'friendly amendments' can be accepted or denied.

NEW BUSINESS:

- **Secretary/Treasurer position split:** A motion was made to split the position of Secretary/Treasurer into two separate positions. A motion was made by Theresa with new wording in the bylaws; seconded by Dianne. Motion failed.
- **Rotating the Annual Meeting:** A discussion was held on eliminating the 'corridor' range for the annual meeting and moving it from state to state again as it was years ago. The meeting is scheduled for Rochester MN in 2011 (which will be UMECRA's 40th anniversary). As of now, no one has volunteered to organize the 2012 meeting. No action was taken.
- **Competitive Ride Rule Changes:** there were several rule change requests from riders.
 - 3E. *Natural water and/or water provided by Ride Management is allowed on the trail for the purpose of drinking and/or sponging. It is at the discretion of Ride Management to provide water on the trail, placed at designated location. Horses may drink water, natural and/or provided, at any time on the trail and at any vet check. Horses may be sponged at any time on the trail from natural and/or provided water. Horses may be sponged at any time during all vet checks.* Motion presented by Theresa. There was no second to the motion.
 - 2: *Management requirements: Natural water and water provided by ride management on the trail and water provided by the participant in camp, are allowed for the purpose of drinking and/or sponging. Water provided by ride management must be available at the same spot and similar quantities for all competitive riders.*
Rider Requirements: During the competition all riders are required to care for their own mounts except having a horse held during a rest break. Other assistance in the care and grooming to mounts *including applying of water* is prohibited unless the ride committee determines that assistance is needed.
Natural water and water provided by ride management is allowed on the trail and in camp for the purpose of drinking and/or sponging. A horse shall not be denied drinking water from a bucket and/or other approved source at a scheduled vet check. Riders may apply water to their horse with a sponge or scoop before pulse and respiration checks. Pour jugs and hoses are prohibited. Water for sponging may not be artificially heated or cooled. This is all one motion made by Theresa; there was no second to the motion.
 - Under Veterinary Requirements for Competitive;
 - 2) Pulse and respiration
 - A) Normal criteria for advancement are a pulse of 68 and a respiration of 68
 - B) There will be a minimum of two pulse and respiration readings taken during the day's ride.
 - C) Not less than ~~5-10~~ minute nor more than ~~8-15~~ minutes shall be allowed before the recovery pulse and respiration are taken. This information shall be collected precisely and uniformly so as to aid in making an evaluation of condition.
 - 3) Spot Checks: A ~~5-10~~ minute hold check shall be used. The location of a spot check shall be uniform for all riders. An assistant placed several hundred yards down the trail will tell the rider to trot from that point to the judges. If the horses are badly bunched when they reach the assistant, he will hold them and let them go at 5-second intervals. Horses shall be checked for p/r's ~~5-10~~ minutes after arrival. Horses do not have to meet the 68/68 criteria at spot checks. A horse shall not be held at a spot check. If in the veterinarian's opinion the horse is critical, the horse should be pulled. Time held at spot checks will be included in the day's riding time. (See Ride Manager's Manual for minimum allowable times). This motion was made by Theresa; not second to the motion.
 - A discussion was held on Competitive rides and the reasoning these proposals were presented. At times, it can be hard to separate the horses and a 5 minute hold may make a difference with doing that. This idea was done years ago as an experiment and it was found that there was no difference in the results. The top horses that do well at 10 minutes also do well at 5 minutes. It was mentioned that if the score card is used correctly with manners and fatigue being graded more accurately, there would be more separation in the scoring. It is the RM's responsibility to discuss these issues with their head veterinarian.
- **Nominations for appointed positions:** The following UMECRA members have expressed an interest in the following appointed positions:
 - **Pointskeeper:** Joan Thiel and Angie Mikkelson
 - **Newsletter Editor:** Peggy Pasillas and Michele (Shelly) Sentyrz
 - **Sanctioning Coordinator:** Shelly Sentyrz and Elinore Tonsor
 - **Webmaster:** Joslyn Seefeldt and Shelly Sentyrz
- **Tentative Ride Schedule:** Elinore presented the tentative ride schedule to the BOD. There were several changes made. Elinore will be sending out emails to the RM's to get their schedule for the 2009 season. The revised schedule will be presented at the Annual Meeting in January.

A motion was made to adjourn the meeting.

Respectfully Submitted:
Jill Feller, UMECRA Secretary/Treasurer
