UMECRA Member, Debbie Searle Completes Tevis!

July 25, 12:47 PM • [Chicago Horse Examiner](#) • Kimberly Rinker

Rider Debbie Searle, 48, completed her very first attempt at the Tevis Cup, a 100-mile endurance ride that begins at Truckee, CA and ends at Auburn, CA, over some of the toughest and most demanding terrain found anywhere in the United States.

Searle, a resident of Beecher, Illinois, regularly competes on the UMECRA circuit in the Midwest with her 13-year-old Arabian-Quarter Horse cross, Ranger.

"I really enjoy trail riding because of the various types of trails that you encounter," said Searle. "I'm not as competitive as I am adventurous. I wanted to do the Tevis because it's a different kind of challenge and to see if I could."

Searle completed the journey—which was first run in 1955—in just under the required 24-hour time limit at 4:49 a.m. on Sunday, July 25, and thus, earned the coveted "Tevis belt buckle." She began the ride at 5:15 a.m. the previous morning.

"I'd never do it again," she admitted. "It was scary and horrible. We rode over steep terrain and 12-inch wide trails with 6,000-foot drop-offs and we were riding in the dark. It was the toughest thing I've ever done. Once was enough. I've certainly got this one out of my system."

But Searle said she'll continue riding in the Midwest when not caring for her racehorses at Balmoral Park, the home base of she and her husband, trainer-driver Steve Searle.

Attention College Bound and College Enrolled Students

Applications are now being accepted through November 15, 2010 for scholarships for post high school educational opportunities. Applicants must have at least two years' membership in the Upper Midwest Endurance and Competitive Trail Association. The applicants must have participated in at least 25 rides sponsored by UMECRA and intend to study for at least a two year program.

Former Wisconsin members Ray and Audrey Gehrig established this scholarship in 1996. Additional tax deductible contributions are welcome for anyone at any time. Many UMECRA members have made charitable contributions to support this scholarship fund in the past. We encourage members to continue to add memorial gifts and honorariums to the fund to support this worthy scholarship for youth and others returning to school.

For scholarship materials and/or information about making a contribution to the UMECRA Fund, please contact:

'ENDURE FOR THE CURE' RIDE BENEFITS FROM AERC TRAIL GRANT PROJECT

This was the tenth year for the Arabian Horse Distance Riding Association's "Endure for the Cure" ride at Farmdale Park, near East Peoria, Illinois. The "Endure for the Cure" ride is a fundraiser for the Susan G. Komen for the Cure Foundation and its fight against breast cancer. This year, the ride raised almost \$8,000! Over ten years this ride has raised more than \$170,000 for the Foundation.

Tim and Ruth Casserly brought in the most donations and won a custom made saddle which was again generously donated by Kristi Kesick of Native Spirit Saddlery. Donna Lee Ozment brought in the second largest amount in donations and won a Garmin from the Distance Depot, another generous and repeat donor to this cause. Lucy Veigel brought in the third largest amount in donations and won a set of Oster cordless clippers donated by Odds on Racing and Big D's Tack Shop. A big thank you to Donna Lee Ozment, Robin Schadt and Deb Searle for their hard work in coordinating the fundraising and drawing.

In last month's newsletter the winners of the drawing were listed, one of whom was Robert Harms, shown here with some of her many winnings, including an afghan made by Dr. Cindy Schlund for the event and a pink wheelbarrow donated by Ace Hardware.

Although there are plenty of stream crossings and water on the trail at the park, for the previous nine years tanks and trucks needed to be arranged to bring water in for the ride camp. This year, though, through the support of an AERC trail grant, the supply of water at the ride camp was greatly facilitated. This AERC grant supported the installation of a water line and hydrant. A trench and water line had to be laid from the well at the Army Corps of Engineers' Maintenance Building 900 feet down the hill and under a road to the corner of the parking lot at the park. The trails at Farmdale Park are multi-use, shared by hikers, mountain bikers and equestrians, so the water supply and hydrant will benefit all users of the park.

For the 2010 “Endure for the Cure” ride 101 riders competed on 122 horses over the three days of endurance, limited distance, competitive trail and driving events. This year’s ride was also the site of the National Shagya Distance Challenge, sponsored by the American Shagya Arabian Verband (ASAV). The Shagya Challenge Cup for the fastest 50 mile Shagya was won by Ellen Rapp on SA Belshazzar, who was also first across the line.

RULE OR BYLAW CHANGE SUGGESTIONS?

If you have UMECRA rule or bylaw changes, ideas for new rules or rule removal suggestions, please submit them to the rules & bylaws committee before the November UMECRA board meeting. It’s easier for the Rules & Bylaws Committee to craft language beforehand, check it against other rules, etc. before submitting it to the whole board for a vote at that meeting. Rules & Bylaw Committee members are Tony Troyer - il4aerc@aol.com – phone 815-539-7375, Wel Elford – wselsfor@sbcglobal.net – phone 920-387-2304, or Theresa Meyer – tmeyer@tpt.org – Phone 763-753-5236.

The rules and bylaws can be found on www.umecra.com scroll down to the bottom of the page and there is a “button” for each one. Thanks!

It's been a busy summer! Fall rides are coming soon – check the ride schedule and get out there and RIDE!

Got some extra time while you are at a ride? Check with the Ride Manager – they often need help at the vet checks (scribing is a great way to learn what the vets are looking for), setting up for pot luck, or help out with a Novice ride. You will be glad you did! Where else can you get a chance to meet new people and catch up with old friends? The Ride Managers will appreciate it!
