 As most of you know, I took Tazmanian Angel (Taz) to the Tevis Cup and he was pulled at 20 miles. He strained a tendon when he stumbled on a rock in the river crossing. The vets at the next check said it was superficial and they had me walk him in-hand 3 miles back up the hill - ummm....mountain....so they must've thought he was fine to do that anyway. 10 days after Tevis, he's back to 100%. He is a better horse on more level terrain, but he has done lots of hills here - just not the really steep rocky descents of Tevis-type trail. Taz was top in UMECRA in CTRs in 2005, and he's also been shown in English Pleasure. He could show in Western also - he's got a very pretty jog trot. I'd like to see him go to a home where his loveable personality will be appreciated: he likes attention and is very much a mama's boy. Taz is 11 yrs old, 15.2H, almost 15.3. He's also sweepstakes. Check out his AERC record: <http://www.doublejoy.com/erol/Individual/HorseHistory.asp> I'm listing Taz for \$3000.

Daisy: Our little "energizer bunny"!!! Daisy and her 12 yr old Jr. rider are at this point, #1 in UMECRA, MnDRA and the Midwest for Jr. LD mileage. Daisy is just 5 yrs old, and 13.2H. Her young rider doesn't want to part with her, but she's just getting too tall for Daisy. Daisy loves to go but is very sane about vetting, trailering, picketing, blanketing, etc. She is low in the pecking order but has enough sass to be very competitive in endurance. She has been barefoot all year, even completing the SE ride without a hitch. Daisy is extremely sure-footed, well-balanced and also loves to jump; she would also be an excellent pony club prospect. Daisy isn't registered, but we believe her to be a pony/Arab cross. She will be at Point Chaser this weekend. I'm asking \$2000 for her.

RC Kalypso: 3 yr old grey filly, 14.2H, Dam was Rushcreek Posh. Sire was either TB or QH (one of the two jumped the fence... She might get a couple inches on her yet.) This filly is an awesome mover and has a great attitude. She was very easy to start under saddle and she's had a couple weeks on her, including going down the trail. She'll go out alone or with a group and is confident on the trail. Sacrificing for \$800 because I need time with my other horses, can't keep them all, no matter how good they are!

Please email me at: sarahmaass@hotmail.com or call: 507-340-7859 if you are interested in one of my horses.

RULE OR BYLAW CHANGE SUGGESTIONS?

If you have UMECRA rule or bylaw changes, ideas for new rules or rule removal suggestions, please submit them to the rules & bylaws committee before the November UMECRA board meeting. It's easier for the Rules & Bylaws Committee to craft language beforehand, check it against other rules, etc. before submitting it to the whole board for a vote at that meeting. AND if you mentioned something to us in the past few months or weeks on the trail, in the vet check or around the campfire, shoot us off an email reminder of what you wanted as a change so that we know we have your request.

Rules & Bylaw Committee members are Tony Troyer - il4aerc@aol.com - phone [815-539-7375](tel:815-539-7375) , Wel Elford - wselsfor@sbcglobal.net - phone [920-387-2304](tel:920-387-2304) , or Theresa Meyer - tmeyer@tpt.org - phone [763-753-5236](tel:763-753-5236) .

The rules and bylaws can be found on www.umecra.com under the About link then, scroll down to the bottom of the page and there is a "button" for each one. Thanks!

2012 Rider Reps Candidates

Time to start thinking about Rider Reps for 2012!! Are you interested in being a Rider Rep in UMECRA – it's time to get your bio/write-up in for publication in the newsletter.

Send your write-up to me at:
UMECRAnews@gmail.com

Meet Lynda Zimmerman:

I would be honored to be considered for the Rider Representative position. I have competed in distance rides for two years and earned the UMECRA Rookie of the Year award for Competitive Trail in 2010. In addition, Zia (Lluvia del Norte) was just recently selected as the Paso Fino Competitive Horse of the Year (2011) by the Paso Fino Horse Assn. This year, we are competing in the Limited Distance class. We've attended quite a few different rides across Minnesota, Wisconsin and even one in Illinois and have accumulated approx. 500 competition miles to-date. I have also scribed at several rides while my mare was recovering from an injury – I just couldn't stay away, even though it was hard to leave her at home! If we had been able, we would have also attended the North and South Dakota rides last summer.

I've ridden horses for 45 years; although, Zia was my first horse purchase (three+ years ago). I had two horses as a teenager, and rode unofficial "endurance riding" all along the country roads in those days! In the intervening years while raising my family, I rode at my parent's ranch in Montana, rounding up cattle and participating in working cattle drives on summer vacations. That riding experience was augmented by

four classes at Rochester Community and Technical College's Equine Science program as I prepared to buy my first horse. I also leased a trail horse for a year prior to buying Zia, and followed the recommended trial period and six weeks of lessons with her trainer to get us off to a good start. I can say with assurance that long-distance riding is our passion! I am a strong proponent of solid training/handling, safety, and a trusting equine relationship through patience, respect and clear communication. Professionally, I have been an academic advisor and part-time writing faculty at Metropolitan State University, St. Paul, MN, for 13 years, roles which require good listening and communication skills. In Sept. 2011, I was selected by students to receive the Excellence in Advising Award. My leadership experience includes serving on the university's Alumni Board for six years, chair of the Women's Commission and Scholarship Committee, and secretary of the Mid-America Paso Fino Horse Assn. for the past three years. Personally, I am married to Bob Zimmerman, and have four grown children and 13 grandchildren. As a relatively new member who has learned a lot about competitive distance riding and met many riders in the organization, I bring a fresh perspective to the riders' needs across the region and hope you will vote for me to represent your views and goals to the UMECRA Board. Thank you for your consideration!

Meet Elizabeth Laurie:

I nominate Elizabeth Laurie from Minnesota for the position of Rider Representative.

Elizabeth has been a member of UMECRA and MnDRA for 15 years. She has rode both endurance and competitive and has had three different mounts. Elizabeth started her riding career in 1996 riding competitive and advanced to endurance in 2002. She rode her first 100-mile ride in 2008 in Australia.

As a ride manager, I have always enjoyed Elizabeth as a competitor that cares for her horse; and as a ride worker, who always pitches in when we have needed her help.

Elizabeth has worked behind the scenes when I have been the Annual Meeting Coordinator. She has used her skills designing the "Program Book" that is passed out when I've hosted the meetings in MN; and in 2011 she was the "Meeting Photographer" and saw to it that the photos were posted on our website.

She grew up in our sport. I believe she will represent all UMECRA riders.

Elizabeth has a BA in Natural Science and a Masters in Landscape Architecture.

If you have any questions about Elizabeth, please contact me at Schmidt.dianne@mayo.edu.

Thank you,

Dianne Schmidt
SE MN Ride Manager

Meet Maxine Bernsdorf (aka Max)

ELECTION TIME AGAIN!

I do NOT like politics! But I do need your vote and am required to submit a BIO.

My name is Maxine Bernsdorf. (Please just call me Max!)

I have been a rider/competitor in UMECRA for 20 plus years and have served several terms as rider rep. I try to ride in all the states that UMECRA represents and to be available to listen to your concerns. I will bring those concerns before the BOD as you present them whether I agree personally or not. And, I would like to continue to serve UMECRA and its riders in the future.

And, on a lighter note..... A TRAIL RIDE

It was a cool and cloudy day and I was pleasure trail riding with friends. There had been a storm previously and we had to maneuver around, over, under and through newly installed wooded obstacles' on the established trail. We were just starting up an incline when a BLACK KNIGHT charged out of the forest with his lance pointed right at me. I tried to fend him off with my arm but to no avail. I was lifted right up off out of the saddle and out of my shoe. There I lay on my back... my bare foot uphill and my helmet down. My friend, JEN, riding behind me said, "OH MY!". I sat up, assessed my wounds, and called for my faithful dog, MOE, who was leading the ride (and belongs to Jen). Moe came dashing back to the rescue followed by my horse, CHARM. Horse gave me that "what are you doing down there look".

I got up retrieved and installed my missing shoe, consoled my horse and looked for a natural mounting block. Back in the saddle we continued on our delightful journey.

And, the BLACK KNIGHT disappeared into the forest never to be seen again.

That's my story and I am sticking to it!

MAX
