### THE BLUE RIBBON COMMITTEE...

is finishing up it's work, but need your help before making a recommendation to the UMECRA Board of Directors.

Please send your thoughts and comments to the newsletter editor, Peggy Pasillas at [UMECRAnews@gmail.com](mailto:UMECRAnews@gmail.com) by 10/1/12 to be included in the October newsletter so we can have an open discussion of the membership about these important decisions facing UMECRA.

We will have space in October newsletters to comment on the following questions.

What are the advantages and disadvantage of changing UMECRA from a ride manager organization (where only ride managers, rider reps, and vet reps have voting rights) to a one member/one vote organization?

How can UMECRA and the regional organizations (GLDRA, MNDRA, DRAW) better work together to support each other and improve distance riding in the Midwest?

We will also be discussing these questions on FaceBook, so join the conversation there as well. Based on all of the information we have gathered from the survey and other member input, the next step will be for the BRC to make a recommendation

to the UMECRA Board of Directors at the November Board meeting. The Board will then decide what (if anything) to present to the membership for a vote at the annual meeting.

### A New International Shagya-Arabian Registry in the USA and Canada.

The Performance Shagya-Arabian Registry (PShR) of the United States and Canada is proud to announce its acceptance into the Internationale Shagya-Araber Gesellschaft (ISG) as of July 2012. The ISG is the umbrella organization for accepted Shagya-Arabian registries around the world, including the historical State Studs such as Babolna, Hungary; Radautz, Romania; and Topolcianky, Slovakia. To be recognized by the ISG, a registry must submit an accurate pedigree for all registered horses along with documented breeding guidelines and practices in compliance with the ISG standards. The Shagya-Arabian breed was first recognized in 1986 by the World Arabian Horse Organization thanks to the efforts of the founding members of the ISG. Since that time, the goal of the ISG has been to preserve bloodlines and ensure the original breeding goals used to develop this magnificent breed as a military horse in the late 1700's are being uniformly practiced. These goals include inspections of breeding stock for

conformation, rideability scored by test riders, free jumping and performance testing of both the physical and mental aspects of the horse.

What will this acceptance into the ISG bring to the USA and Canada? To align with the worldwide standards, the PShR will be implementing and aligning with the ISG, some of the most obvious changes will include:

Registered horses in the PShR will be placed into a Studbook format

The terminology of Part-Shagya, Shagya Sportlo and any other labels are not recognized by the ISG

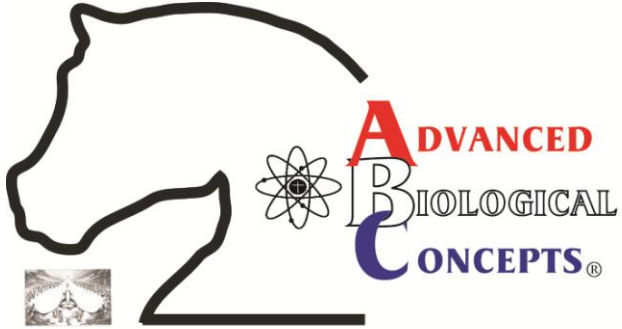

PShR inspections will include veterinary examination on site for stallions

From July 2012 forward, all PShR Shagya-Arabian stallions, not already placed in Book I or II, must be performance tested for them to be approved as breeding stallions

PShR Shagya-Arabian stallions are not to be used for breeding until they have passed their performance testing criteria

The PShR also includes Books III & IV for horses with at least 25% Shagya-Arabian bloodlines

The PShR is developing a 5-year action plan to determine the number of horses and sites for inspections among other tasks. To identify the needs of the Shagya-Arabian community, input from Shagya-Arabian owners, breeders and admirers throughout the USA and Canada, the PShR Board of Directors is developing an online survey. To participate visit our PShR Facebook page and website at: [www.performanceshagyaregistry.org](http://www.performanceshagyaregistry.org)

**GOOD-BYE TO BENNY!**

Ibn Ben Bask (aka Benny) was the product of a good plan gone bad. His mother was a Pure Polish mare imported by Jeanne Atherton of Walnut, Illinois. His father was Tom Chauncy's Ben Bask of Scottsdale, Arizona. The result of this expensive breeding was a runty, mismarked throwback who was named to humiliate his sire and grandsire, then given to me by default. That plan backfired, as he became a Champion endurance horse. The first time I looked at him, I was reminded of the words from one of my favorite country songs, "He was a sandy haired rebel boy with those same ol' hungry eyes. He looked up at me and said, 'I'm gonna be somebody someday, you can bet your hard earned dollar I will.'"

Benny lived to run. He reached his first UMECRA 1,000 miles in 1991 and in the year 2000 he completed his 5,000th. He won multiple Regional AHA, UMECRA and AERC Championships. In 1994, he was honored by being voted UMECRA's Rider's Choice.

If one's greatness is determined by the greatness of their adversaries, then Benny was more than a Champion. Carrying my young niece, Brandi, Benny gave Bill Wilson's great BoDiddly a run for 1st Across the Line. Several year's later, he raced Canadian Jim Rawski and his world-class gelding, Sultan Lad, for the AHA Region X Championships. Benny won that race, but continued another mile into camp, unstoppable. I once made the mistake of dismounting to run down a hill only miles from the finish at another Regional Championship ride. With three riders bearing down on us, I barely had time to get a toe in the stirrup and, belly over saddle most of the way, we outran the field.

In 1994, we were competing against Debbie Olson on her terrific horse, Spruce Sarta. At the time, Spruce Sarta boasted 22 straight first place finishes and had completed six 100's that year. Debbie and I met at Point Chaser with only a matter of a point or two separating us from the UMECRA Championship. Just like the present, Point Chaser offered a 50 on Friday and one on Saturday, as well as a 2-Day 100. Debbie and I agreed to make it a true head to head competition. We raced on Friday and it came

down to a ¼ mile sprint to the finish. My crew, Kim Bruno and Rick Nelson, arrived at the finish line to find a group gathered with LAWN CHAIRS! only 20 feet from the finish line. “We hear there is going to be a real race,” some innocent bystander said. In horror, Kim started clearing away the chairs and screaming at people to move. She had crewed for Benny before and knew he respected no barriers. Only minutes later, we flew across the line with Benny a nose ahead of Spruce Sarta. The next morning, Debbie and I and our horses stood in the below freezing pre-dawn, waiting to vet in for the next 50. Benny passed just fine; Spruce Sarta’s back was so sore he could not start. Debbie hugged me and said, “The King is dead; long live the King.” Then she wished me luck. Benny won that 50 in 4 hours and 14 minutes, only 4 minutes slower than the day before.

Today, August 13th, 29-year-old Ibn Ben Bask and I awaited my friend and co-worker of 32 years, Dr. Rick Holmbeck. With the strains of Travis Tritt’s “I’m Gonna Be Somebody” playing in the background. Dr. Rick provided the magic potion that would make Benny sleek and fit and fast and young once more. Tears were shed even though I know Benny and I will meet again. He’ll give me just enough time to get a toe in the stirrup. But I will be young and fit again by that time, and that is all I will need. We will cross the Rainbow Bridge together, not idly but at a furious speed. And I’m just warning all you innocent bystanders. You better not put any lawn chairs in our way.

**Iron Creek Update:** Jutta and I rode and finalized the trails this weekend and boots or some kind of protection is recommended on some parts of the trail. Due to the excessive heat and dry conditions, the trail has changed. There is room to ride off the North Country Trail in most places. In some areas it is hard to avoid. Please pass this on.

## UMECRA Shout Outs!

Volunteers don't get paid, not because they're worthless, but because they're priceless. ~Sherry Anderson (Thanks, Kathy)

As we are about 2/3rds to 3/4 way through our ride season, I'd like to give a shout those people in our organization who have stepped up and helped at rides. Yes we need ride managers, vets, riders and equines; but no ride can be put on without a few more people volunteering a few hours or a few days to our sport. To those of you who have helped time, P&R, vet scribe, make meals, mark and unmark trail, fill water tanks, score comp sheets and make time calculations, clean campgrounds, lead novice groups or do another job at a ride manager's request – THANK YOU SO MUCH! Your time is truly appreciated. If you have yet to volunteer, I urge you to call a ride manager right now, and make yourself available for a morning, afternoon or entire day or weekend. Some jobs require a tiny bit of training, (for example for learning to P&R, get a stethoscope and start on your horses at home or the place you board – take readings several times over a week or more to learn what that horse's normal is) but many jobs just need your time. Thanks in advance for stepping up to help.

Have a great rest of the ride season!

Theresa Meyer  
UMECRA President

Thistle Down Wrap-up!

Pre-potluck music was provided by Christi Kuhlka from Glen Ullin, ND on the violin and she was later joined by Lynda Zimmerman who sang one of her favorite songs, "Horses are Heroes". Kenny Fett did a great job with fresh grilled burgers for potluck.

As usual MNDRA riders stepped up to help with special thanks to Dale/Lisa Lunde,

Carmen Steuck, Lynn Reichert, and Joan Elbert. Scoring went quickly thanks to Dennis Fett who used a laptop with a modified program for fast, accurate results.

Our landowners seemed very pleased and your personal thanks to them pulls a lot more weight than anything Teresa or I can say. We need these people who so willingly let us cut trails through their property and turn it over to us for a weekend. We had 10 gas cards donated for prizes by the former property owner's daughter and many of you have already sent her a thank you. If you have forgotten, please do so as it means a lot to those people and helps for future events.

We put in a lot of time and effort trying to make this a FUN event. Your kind words and sincere thanks are well appreciated. Thank YOU for coming and enjoying our trails.

Teresa and Dale Fett
