If you haven't ridden the 100-miler at the Grand Island Ride on Memorial weekend, then you haven't seen the rest of the Grand Island trail; Grand Island North will take you on that journey. The course consists of two separate 30 mile routes and all checks are at different "out" locations; the middle check for the 55 milers, however, is a mandatory hold as opposed to a vet check. Ride management will haul your stuff to the vet checks, provide water on the trail and hay/water at the 55 milers' middle check.

Ride camp is again the Boy Scouts of America Camp Hiawatha; camping fees are \$15.00 per rig per night with extra nights limited to Thursday and Sunday, however, it is situated on a nice lake with flush toilets and showers. The first driveway leads to our main camping area, where you should take only as much room as you absolutely need and camp as close to each other as possible. If there is a "full" sign at the first driveway, proceed to the second for overflow parking. Pink-tipped stakes will identify where rigs may park at both locations (they're not meant to delineate particular sites, just areas where its OK to park, to include the driveways and yards of numerous cabins), and you should not proceed past turnaround signs without advance scouting. The camp will make a few of the cabins available to rent at \$30.00/night, which includes parking for one rig, but we won't know how many or which ones until the ride weekend; contact ride management if interested. Clean up is required, wheelbarrows are provided.

Join us for a Saturday night potluck where ride management will provide fresh Lake Superior whitefish prepared on site, but please note that the Boy Scouts do not permit either alcohol or tobacco on their premises.

NOTES

If using M-28 do not take M-94 out of Shingleton; wait for M-94 between Wetmore and Munising.

Mileages are approximate, map is not to scale and there will be neon pink signs at all the *s.

The Doe Lake Rd is not signed as such but there is a sign for "Camp Hiawatha" (the Boy Scout camp where you're headed) and there will be a ride sign there as well.

There are 2 entrances to the camp; use the first unless there is a "full" sign, in which case proceed to the second.
