## Directions: To My BACKYARD

### From North (West) through Farmington

From the west on Highway #2 you should turn right (south) **immediately** after you cross the Des Moines River bridge. This will be Front Street, in Farmington, which will turn into Hawk Drive. After you turn right at the end of the bridge just follow the river downstream (south) for approximately one and one half miles and you will find River Valley Lodge and Campground on your left and the river will be on your right.

### From East on Route 2 (Iowa)

If you are coming in from the east on Highway #2, turn left at the Greenglade Cemetery on 285th Street (known to the locals as "Sandy Lane") when you first enter Farmington and continue on towards the Des Moines River where you will turn left on Hawk Drive. Just follow Hawk Drive for approximately one half mile and you will be at the campground. if you are following directions from the internet, be careful that you do not turn left onto S 5th Street **which is incorrect** as you cannot turn left on S 5th Street. The first thing that you will notice is that you can only turn right on S 5th Street. **Do NOT do it!** You should turn left on 285th Street which is directly across from S 5th Street.
