Notes From a Ride Manager –

Say thank you to the Ride Managers at your next ride!

If you have never managed a ride, it's hard to understand all the work that goes into putting on a ride. They don't do it for the glory (seriously – there is no glory), they do it for the love of the sport. Ride managers pour their heart and soul into putting their rides on! So much planning and so many decisions to make – location, what are the best routes to use, where is water needed, awards, ribbons, scheduling vets, dealing with park management who may or may not be event friendly and more.

Then there is the weather – you can do all the best planning and the weather can always throw you a curve and all your work is for naught!

So next time you are at a ride, make sure you say thank you to the ride manager! It makes all the hard work worthwhile!

Ride Results!!

Just a friendly reminder to check and double-check your ride results - and do it in a timely manner (must be within 30 days). Every member should check results after each ride they attend. Don't wait for a few months when you wonder if you're in the top 8 yet. If you see an issue – contact the RM immediately and let the pointskeeper know ASAP at

Ajdavis.aussies@gmail.com. Failure to report errors within the 30-day window can result in loss of placing for that ride.

Entering a Ride in Minnesota?

Attention riders who come to Minnesota distance rides - please email (perhaps enter online at mndra.com & upload your Coggins) or bring physical copy of your Coggins to leave with ride management. Minnesota has a

livestock exhibition permit which our distance rides fall under. This law requires ride managers to keep Coggins records for their equine attendees for 5 years! Showing us your original hard copy or having the file on your phone doesn't meet the criteria for the state of MN. RMs need an electronic copy or physical copy. Thanks in advance!
