1974

The meeting of the Upper Midwest Endurance Ride Assn, Inc. was called to order by our President Ralph Larson on Saturday Jan. 19 at the Branding Iron in Creston, Minn.

Secretary and Treasurer reports were read and accepted. The Treasury showed a balance 190.66 with an outstanding bill of around $70. for the year-end award ribbons.

The location of next years banquet was discussed. Someone will be named to set it up in a different area next year.

Dick Nelson raised the question whether the last minutes stated that there would be two trophies in each division. He has since contacted me. It states two awards.

We had a lengthy discussion on the way competitive rides are judged. Many good points were argued pro and con. It was agreed to have the representatives of each club meet after the main meeting to try to set up tentative guidlines for the 1974 Competitive Rides.

Ralph Larson displayed a sample arm patch - cost $1.50 in lots of 400. Theresa

Nelson had ordered some similar at a cost of .50 each. However there emblem was painted on not sewn. Theresa will send the address to me and Ralph Larson and Rick Nelson volunteered to look into them for our next meeting. Esta Swartz made a motion to do this. It was seconded and carried.

A motion was made and seconded to have the #1. per entry cost on the rides as is. The annual cost per member/ride will be #10. but the first year new member ride will be #20. #10. each year there after.

Louise Bidel and Ralph Larson back talked about a new ride in Wisconsin Dr. Dean Meyer, D.V.M was in association and seemed intrested in our organization. They prefer a Nov. ride date.

Mrs. Alta Morstad lodged a formal complaint seconded by Ralph Larson, against Mrs. Elodie Huttner. Mrs. Huttner was notified prior to the meeting by the sec. that this complaint was being filed. She wrote a letter to the Upper Midwest meeting giving her side. A motion was made seconded and carried to bar Mrs. Elodie Huttner from any Upper Midwest sanctioned

rides as a competitor or official in any capacity. The secretary was instructed to notify Mrs. Huttner of this decision and to send copies of this letter to the member rides and the American Endurance Ride Assn. of which Sigrud member rides are also a member.

The member ride secretaries were reminded to send in their new rider names and address so that they may be added to the master mailing list.

A motion was made, seconded and carried to adjourn the meeting.
