The Rule Box - 2025 Ride Season!!

General Rules – applies to both Endurance and Competitive Rides

3. Veterinary Requirements

- A. Horses must be under veterinary supervision throughout the duration of the event.
- B. Horses must stand a pre-ride examination, mandatory rest stop examinations, and must pass a vet check after the ride. Any horse may be stopped at any point for a veterinary exam. The decision of the judges is final.
- C. A rider may ask for one recheck on a P/R. Pulse rechecks must be done with a stethoscope. P/Rs shall be taken as a unit and a recheck shall be requested immediately after BOTH have been taken and announced. The recheck must be taken immediately and the rider must accept

the second score, whether higher or lower.

In the case of a documented arrhythmia a stethoscope must be used for all vet checks. Heart rate monitors (HRM) will be allowed as long as they are used for all riders and in the same manner. Individual rider HRM must be turned off as they interfere with the hand held. (2014)

D. A horse that has required a recheck shall not be penalized by being held extra time. (Exception, Gate into a Hold.)

E. A horse that has been disqualified must return to base camp by trailer, unless permitted by the veterinarian to return on foot by the shortest possible route.

F. The rider/owner of an equine disqualified by a ride veterinarian should be notified immediately by that veterinarian or the ride manager.

G. A final decision allowing unsighted equines to compete shall be made on a case-by-case basis by the control judge at each event. Riders of blind equines should contact the ride manager prior to entry. (2013) (2015)

Ride Managers – remember - all ride payments should be mailed to the UMECRA Bookkeeper:
